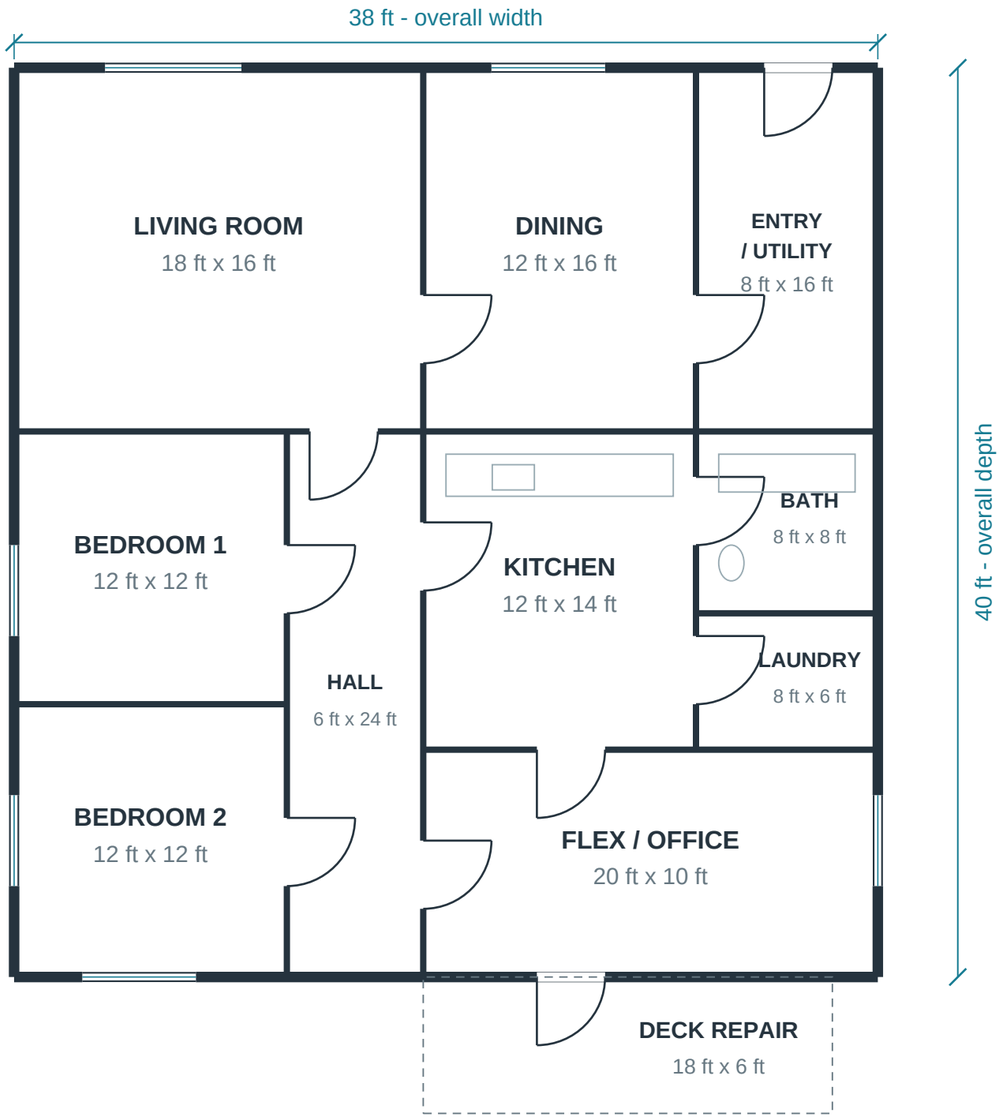
Demo Tahoe Cabin Remodel



FLOOR PLAN

Schematic dimensions; wall thickness is diagrammatic.

PROJECT DATA

Project: DEMO-2026-001

Gross footprint: 38 ft x 40 ft = 1,520 sqft

Approx. conditioned area: 1,480 sqft

One story / two bedrooms / one bath

REMODEL NOTES

01 Verify window header height before framing.

02 Replace kitchen cabinets; retain the room footprint.

03 Verify rough-in locations before the bath remodel.

04 Repair deck boards; cable rail upgrade is an allowance.

05 Maintain fire-safe clearance around deck and propane area.

06 Confirm field dimensions before ordering materials.
